Jazz:

Buddy Rich - "Swingin' New Big Band," "Big Swing Face"

Max Roach - "Saxophone Colossus" by Sonny Rollins, "Sonny Rollins Plus 4"

Gene Krupa - Carnegie Hall Concert with Benny Goodman

Steve Houghton

Rock:

Keith Moon (The Who)

Neil Peart (Rush)

John Bonham (Led Zeppelin)

Carter Beauford (Dave Matthews Band) - I think his drumming is especially great on the live DMB albums

Dave Grohl (famous for playing drums with Nirvana, but his rock playing with Queens of the Stone Age is rather impressive)

Danny Carey (Tool) - although a lot of the band's lyrics aren't exactly, ahem, school appropriate, he's phenomenal, especially at playing in mixed meter. Plus he grew up in Paola.

Marimba- Michael Burritt, Keiko Abe, Kevin Bobo, L.H. Stevens

Xylophone- Bob Becker

Vibraphone- Gary Burton, Lionel Hampton, Jerry Tachoir
